

## FROM THE EDITOR

There have been recent comments made on our page and I just want to clear the air. The majority of our studies have been taken down, I would say basically all of them except the Revelation studies. It is not due to “I do not believe in God” anymore or being “a hypocrite” as mentioned in the comments. If anything, my belief in God is more firm than ever. The reason for us taking down the studies while my late wife was still alive, is due to the fact that all of our past studies are based on “futurism” and “idealism”. If you are not familiar with the terms, then you really have no clue of what you believe in. And if any one of you is a student of the scriptures and cared “to read” the “What we Believe” section, you would have noticed that my belief in God is still firm, it’s just not based on “futurism” nor “idealism” any more, nor “preterism”, nor any “ism” for that matter. And if any of you have cared to read the “Revelation” studies you would have known by now that I will not reply to any unlearned foolish comments, especially when commenting, I am “coward to answer”. Do yourself a favor, do your own study as you are commanded in the bible and do your own research then send me your “detailed” study debunking what I have researched and studied and I will reply. Here is my email address [rodwillie@gmail.com](mailto:rodwillie@gmail.com). If you have bible study tools and if you believe you are right, then study and stop taunting as if you know how to study (II Tim 2:15), IYKYK. If you have already commented and I gave you a reply, then deal with that reply. I am not going to go back and forth with anyone to “debate” (Tit 3:9), which most christians like to do, not understanding that the bible commands us not to “debate” period (the word is “contentions” or “strife” in the KJV) and it is a work of the flesh (Gal 5:20). I will not reply any more than I need to according to scripture (Tit 3:10). And if this is not enough for the taunters, I really do not give a flying fart. My conscience is clear.
